

ADMINISTRATIVE MEETING

February 21, 2024 - 4:00 PM

City - County Building Room 326 / Zoom Online Meeting; https://us06web.zoom.us/j/86744430597

AGENDA

- 1. Call to Work Session, introductions
- 2. Commission comments, questions
- 3. Board Appointment Review
 - a. Board Appointment Review
 - b. HCC Appointment Recommendation
- 4. Recommendations from the Helena Citizens Council
- 5. City Manager's Report
- 6. Presentations
 - a. Development Review & Mapping Tools
 - b. Westside Phase 1 & 2 Water and Sewer Cost Reimbursement
 - c. State-Local Infrastructure Partnership Act Funding Proposal Review
 - d. RAISE Grant Application Report
 - e. Transportation Systems Interlocal Agreement
- 7. Department Reports
 - a. Restricted Donation for historic preservation projects
 - b. Bill Roberts Golf Course Fee Discussion
 - c. Last Chance Splash Waterpark & Pool Fee Discussion
- 8. Public Comment
- 9. Commission discussion and direction to the City Manager
- 10. Adjourn

The City of Helena is committed to providing access to persons with disabilities for its meetings, in compliance with Title II of the Americans with Disabilities Act and the Montana Human Rights Act. The City will not exclude persons with disabilities from participation at its meetings or otherwise deny them the City's services, programs, or activities.

Persons with disabilities requiring accommodations to participate in the City's meetings, services, programs, or activities should contact the City's ADA Coordinator, Ellie Ray, as soon as possible to allow sufficient time to arrange for the requested accommodation, at any of the following:

Phone: (406) 447- 8490 TTY Relay Service 1-800-253-4091 or 711 Email: citycommunitydevelopment@helenamt.gov Mailing Address & Physical Location: 316 North Park Avenue, Room 445, Helena, MT 59623. February 14, 2024

TO: City Commissioners

FROM: Mayor Wilmot Collins

SUBJECT: Board Appointments

I am recommending the following board appointments:

Citizens Conservation Board

Appointment of Pat Bousliman to a first term on the Citizens Conservation Board. Term will expire on February 28, 2027.

*Appointees can reapply for full terms following the completion of the Interim Appointment.

Helena Citizens' Council 316 N. Park Avenue, Room 320 Helena, MT 59623 Phone: 406.447.8493 hcc@helenamt.gov www.helenacitizenscouncil.com

DATE: January 30, 2024 TO: Mayor, Commissioners, and the Clerks of Commission FROM: Helena Citizens Council RE: Approval of HCC Applicant Brenda Valerio – District #6 – For Term 2024-2025

Good Morning Mayor and Commissioners:

At the January 24th full board meeting of the HCC, Brenda Valerio of HCC District #6, was unanimously approved by of vote of the entire HCC body. She applied for the position via the Clerk of Commission's office in early December.

We look forward to hearing from the Commission regarding approval at the Administrative Commission meeting on 2/21/24.

Sincerely,

in Ben Kuiper, HCC Chair

Peggy Benkelman HCC Coordinator PH:406-447-8493 Pbenkelman@helenamt.gov HCC@helenamt.gov www.helenacitizenscouncil.com

| City of Helena, Montana | | |
|-------------------------|---|--|
| 01/24/2024 | | |
| То: | City Manager, Tim Burton | |
| From: | Ryan Leland, Public Works Director | |
| Subject: | Westside Phase 1 & 2 Water and Sewer Cost Reimbursement | |
| Present Situation: | The City of Helena annexed wholly surrounded properties on the westside of Helena. The properties east of Joslyn Street to existing city limits were annexed on April 25th, 2016 (Westside Phase1). The City annexed Phase 2 of the Westside of Helena, which is east of Granite Street to Joslyn Street and north of Knight Street to Euclide Ave., on Dec. 1st, 2018. As part of the annexation the City Commission with the help of Lewis and Clark County funded the installation of water and sewer mains to Phase 1 and 2 of the Westside. The previous City Commission conceptually approval a reimbursement option to repay the SRF Sewer Loan and the Water Utility Fund. The draft resolution requires each unserved property to pay a pro rata share of the cost of the project based on square footage of the property at time of connection. The Commission almost preliminarily agreed to consider a 20-year 0% loan program for existing houses if they connect within 5-years from when the resolution is passed. This resolution would mirror other reimbursement resolutions previously passed by the Commission. New houses would have to pay the whole amount at the time of building permit. | |
| | The project ended up being very complex with several issues that caused delays including a complaint filed by 7 residents in Phase 1 that resulted with a Settlement Agreement and Release of Claims that was signed on Dec. 15th, 2017. The agreement set out the parameters of the reimbursements. Because of the settlement agreement, the City is required to separate out the cost and reimbursement amounts for phase 1 and 2. | |
| | The funding of the wastewater portion of the project was through an SRF loan and the water portion was funded through water funds. The engineering of the whole project was funded through Lewis and Clark County TSEP Grant in the amount of \$750,000 and the City of Helena funded the rest of the engineering. As part of the project several existing city mains need to be up-sized, looped, or replaced. Those cost were included in the overall cost of the project but are not included as part of the reimbursement. | |
| | The total cost of the project was approximately \$8.3 million with the breakdown as follows: | |
| | Engineering Costs - \$1.1 Million TSEP - \$750,000 City Contribution to Engineering - \$346,302 (Not included in reimbursement) | |

- Phase 1 – Total Construction Cost - \$3.8 Million

| | Water Reimbursement portion – \$869,800 City's Water contribution – \$676,489 (Not included in reimbursement) Sewer Reimbursement portion – \$970,064 City's Sewer Contribution – \$87,100 (Not included in reimbursement) Rebate Trench Restoration Reimbursement - \$1,180,000 | |
|--|--|--|
| | Phase 2 – Total Construction Cost - \$3.4 Million Water Reimbursement portion - \$580,705 City's Water contribution – \$591,570 (Not included in reimbursement) Sewer Reimbursement portion – \$1,272,870 City's Sewer Contribution – \$344,152.03 (Not included in reimbursement) Trench Restoration Reimbursement portion- \$665,238 | |
| | The breakdown of the reimbursement costs for the properties based on the square footage of the lot are as follows: | |
| | Phase 1 Water cost per foot square foot of the lot is \$0.77 Sewer cost per foot square foot of the lot is \$0.86 Trench Restoration cost per square foot of the lot is \$0.75 | |
| | Phase 2 Water cost per foot square foot of the lot is \$1.00 Sewer cost per foot square foot of the lot is \$1.19 Trench Restoration cost per square foot of the lot is \$0.58 | |
| | For example, a lot size of 12,500 ft2 located in Phase 1 connecting to both water and sewer would owe a total of \$29,750. For a 12,500 ft2 lot located in Phase 2 connecting to both water and sewer would owe a total of \$34,625. Please see attached example worksheet for more examples. If you are connecting to only water or sewer the reimbursement would be for the square footage reimbursement cost for either the water or sewer plus the cost of trench restoration. | |
| Background Information: | N/A | |
| Proposal/Objective: | Staff will be looking to answer questions and get direction from the Commission on a reimbursement resolution and potential loan for existing houses. | |
| <u>Advantage:</u> | Properties with failed septic systems will be able to connect to city sewer services. | |
| Notable Energy Impact: | N/A | |
| <u>Disadvantage:</u> | None noted. | |
| Notice of Public Hearing: | False | |
| Staff Recommendation/ Recommended Motion: | No recommendation at this time, informational only. | |

RESOLUTION NO. 20344

A RESOLUTION ESTABLISHING A COST REIMBURSEMENT PROGRAM FOR WASTEWATER INFRASTRUCTURE INSTALLED BY THE CITY OF HELENA IN THE 2200 BLOCK OF CANNON STREET

WHEREAS, the Helena City Commission passed Resolution of Intention No. 20323 on December 19, 2016, signifying its intent to annex Lots 7-10 in Block 195 of the Ames Addition and the adjacent Cannon Street right-of-way, all in Lewis and Clark County, Montana, generally located south of Cannon Street and west of Hiawatha Street, with a property address of 2215 Cannon Street; and

WHEREAS, the Helena City Commission also passed Resolution of Intention No. 20324 on December 19, 2016, signifying its intent to annex certain contiguous government property, specifically the 2200 block of the Cannon Street right-of-way, to accommodate the construction and installation of a city wastewater main in that right-of-way; and

WHEREAS, one condition of annexation was that the owners of 2215 Cannon Street install a wastewater main extension and appurtenant facilities in Cannon Street from Hiawatha Street, according to the 2002 Helena West Side Infrastructure Study, across the frontage of their property; and

Res. No. 20344

WHEREAS, the City is installing a wastewater main and appurtenant facilities in Cannon Street, as shown in engineering plan documents for Project No. 16-06, which area is currently outside the existing city limits; and

WHEREAS, the wastewater main extension in Cannon Street will benefit properties that have not petitioned to annex into the City of Helena; and

WHEREAS, pursuant to Resolution No. 20164, the methodology to determine reimbursement costs for water and wastewater infrastructure installed by the City outside the city limits for which each property owner is responsible, the proposed repayment mechanism, and repayment timeframe are to be determined by the City Commission on a project-by-project basis; and

WHEREAS, the City desires to establish a program to recoup the costs of the design and installation of the above mentioned wastewater main that will benefit the property owners in the area; and

WHEREAS, the City desires to establish a mechanism and methodology to calculate the proportional amount property owners adjacent to the abovementioned wastewater main must pay when

Res. No. 20344

they petition for annexation and ultimately connect to the wastewater main; and

WHEREAS, the City desires the reimbursement program to encourage and provide an incentive for connection to the Cityinstalled wastewater main; and

WHEREAS, it appears to be in the best interests of the City of Helena and the inhabitants thereof that the City Commission establish a cost reimbursement program for the wastewater infrastructure that the City has designed and is installing in Cannon Street pursuant to Project No. 16-06, which is currently outside the corporate limits of the City of Helena.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF HELENA, MONTANA:

Section 1. The Helena City Commission hereby establishes a cost reimbursement program for owners of property shown on Exhibit "A" who connect to the wastewater infrastructure being installed by the City in Cannon Street, pursuant to Project No. 16-06.

Section 2. Each owner of property listed on Exhibit "A" is responsible for said owner's proportional share of the cost of the design and installation of the wastewater infrastructure

Res. No. 20344

before connecting to the wastewater main being installed by the City. The reimbursement cost that each property owner adjacent to the wastewater main must pay upon connection is determined by dividing the total private property land area by the total cost of the design and installation of Project No. 16-06 and multiplying that cost per square foot by the square footage of each property proposed to be connected to and served by the wastewater main.

A. For property currently developed with an occupied structure that connects to the City-installed wastewater main adjacent to the property within five (5) years of the date of this resolution, the reimbursement cost may be paid to the City by the property owners in full at the time of initial connection to the City's wastewater main, or by assessment of the property and paid by semi-annual installments on the property owners' property tax bill, amortized at zero percent interest over a 20year period.

B. For property currently developed with an occupied structure that connects to the City-installed wastewater main adjacent to the property more than 5 years after the date of this resolution, or for property that is not currently developed

Res. No. 20344

with an occupied structure, the reimbursement cost must be paid in full, at the time of initial connection to the City's wastewater main.

C. If the reimbursement amount is amortized, assessed, and repaid through the property owners' property tax bill, the owners are subject to the penalties and interest allowed by §15-16-102, MCA.

Section 3. If a property is sold or transferred, any outstanding balance of the reimbursement amount still owing must be paid in full. Property owners connecting to the City's wastewater main agree to sign required documentation that will be recorded and run with the property that is needed to ensure the payment of the full remaining reimbursement amount.

Section 4. Any property owner whose property is not currently connected to the City's water system must connect to a City water main, if one is adjacent to the property, concurrent with connection to the City's wastewater system.

Section 5. Prior to connection to the City's wastewater main, each property owner must petition for and waive the right to protest annexation by the City and agree to annexation conditions as set by the Helena City Commission.

Res. No. 20344

Section 6. The Helena City Commission hereby authorizes the City Manager to allow deviations from the property tax assessment methodology established by this Resolution on a case by case basis. In such cases where the facts warrant deviation from this Resolution, the City Manager may permit a property owner to reimburse the City in monthly installments billed through the owner's normal monthly water and wastewater bill.

Section 7. The property owners of 2215 Cannon Street are hereby permitted to reimburse the City in monthly installments billed through their normal monthly water and wastewater bill.

PASSED AND EFFECTIVE BY THE COMMISSION OF THE CITY OF HELENA, MONTANA, THIS 12th DAY OF JUNE, 2017.

/S/ JAMES E. SMITH MAYOR

ATTEST:

/S/ DEBBIE HAVENS CLERK OF THE COMMISSION

City of Helena, Montana

| 02/15/2024 | |
|---------------------------|--|
| То: | Tim Burton, City Manager |
| From: | Amanda Opitz, Grants Administrator |
| Subject: | State-Local Infrastructure Partnership Act Funding Proposal Review |
| <u>Present Situation:</u> | The State-Local Infrastructure Partnership Program is a state-funded program to help cities and towns fund the maintenance/repair of local government facilities on a partnership basis, with local governments supplying a cash match. As indicated in Montana HB 355, the legislative body must review proposals and hold a public hearing based on the recommended priority order of the proposals, which is then transmitted to the Montana Department of Commerce with the city/towns application(s) due March 30, 2024. The Montana Department of Commerce shall then review the recommended application and determine whether the application complies with HB355. The Department of Commerce may not substitute its judgment for that of the legislative body of the city or town and cannot revise the recommended priority list. |
| | City staff provided three proposals for consideration for funds from SLIPA: a fire suppression system project at Fire Station 2, replacement of bioreactor mixers at the wastewater treatment plant, and replacement of ADA pedestrian ramps along City right-of-ways. These proposals were previously presented to the Commission for discussion at the Jan. 17, 2024 and Feb. 7, 2024 administrative meetings. |
| | At the Feb. 7 administrative meeting, the Mayor and Commissioners provided their individual prioritized lists of these three projects. Both the bioreactor mixer replacement project and the ADA ramp replacement projects received two votes as the top priority. Thus, staff are recommending the Commission provide consensus approval to move forward to a public hearing the following prioritized list: |
| | 1) Bioreactor Mixer Replacement 2) ADA ramp replacement 3) Fire Suppression System at Fire Station No. 2 |
| | Along with the list, the staff recommend the City submit two applications, one for the Bioreactor Mixer Replacement project and one for the ADA Ramp Replacement Project that will exhaust available SLIPA funding allocation. |
| Background Information: | The State-Local Infrastructure Partnership Program is a state-funded program to help cities and towns fund the maintenance/repair of local government facilities on a partnership basis, with local governments supplying a cash match. This program was authorized during the 2023 legislative session via House Bill 355 (HB 355). |
| | For the biennium beginning July 1, 2023, \$20 million was appropriated from the state's general fund to the Montana Department of Commerce to distribute funds as allocated to grant recipients awarded in |

to distribute funds as allocated to grant recipients awarded in

| | compliance with HB 355 for eligible projects as recommended by each legislative body of a city or town. |
|--|---|
| | The City of Helena's allocation is \$458,775. The City must provide a local cash match of no less than 25% of the total project cost. Projects receiving awards must be under contract by Dec. 31, 2024 and completed by Dec. 31, 2027. |
| | Eligible projects include: • Drinking water systems • Wastewater treatment systems • Fire suppression systems (if independent of a drinking water system) • Streets • Roads • Bridges • Landfills • Streetlights • Airports • Public grounds and buildings • Projects that expand existing water and wastewater treatment plants that are being operated at 90% of design capacity or greater Priority must be given to projects that maintain or repair publicly owned drinking water systems, publicly owned wastewater treatment systems and municipal fire suppression systems that are independent of a water |
| | system. |
| Proposal/Objective: | Review and provide direction on proposed prioritization of city proposals and applications for State and Local Infrastructure Partnership Act funding application to Dept. of Commerce. |
| Advantage: | City satisfies step toward accessing state funding. |
| Notable Energy Impact: | Energy impact depends on the Commission's direction for the prioritized list of proposals. |
| <u>Disadvantage:</u> | N/A |
| Notice of Public Hearing: | False |
| Staff Recommendation/ Recommended Motion: | Staff recommends the Commission provide consensus approval to move forward the following prioritized list of projects for a public hearing: |
| | 1) Bioreactor Mixer Replacement 2) ADA Ramp Replacement 3) Fire Station No. 2 Fire Suppression System |
| | Additionally, staff recommend the City submit two applications, one for the Bioreactor Mixer Replacement project and one for the ADA Ramp Replacement Project that will exhaust available SLIPA funding allocation. |

State-Local Infrastructure Partnership Act (SLIPA)

Prepared by Amanda Opitz, City Grants Administrator

SLIPA Overview

- State-funded program to help cities and towns fund the *maintenance/repair of local government facilities* on a partnership basis, with local governments supplying a cash match.
- The legislative body shall hold a public hearing on their recommendation for funding in priority order; staff submits this with the application(s) due March 30, 2024
- Eligible Projects:
 - Drinking water systems
 - Wastewater treatment systems
 - Fire suppression systems

 (if independent of a drinking water system)
 - Streets
 - Roads
 - Bridges
 - Landfills

Helena's Allocation:

\$458,775

City must provide a local cash match of no less than 25% of the total project cost. Projects must be under contract by Dec. 31, 2024, and completed by Dec. 31, 2027.

- Streetlights
- Airports
- Public grounds and buildings
- Projects that expand existing water and wastewater treatment plants that are being operated at 90% of design capacity or greater

Proposals

Fire suppression, detection, alarm system for Fire Station 2

Wastewater treatment plant bioreactor mixer replacement

Replacement of deficient or noncompliant ADA pedestrian ramps

Original Project Proposals

Project 1: Bioreactor Mixer Replacement

- 18 bioreactor mixers in service at the wastewater treatment plant = 20+ years old
- Mixers due for replacement in FY 2027 per the Public Works Capital Improvement Plan
- Replacement will result in an energy savings of approximately \$20,000 per year

Est. Total Project Cost: \$381,000

Match: \$95,000 (from Wastewater Enterprise fund)

Funding Request: \$285,750

Lead Department: Public Works

Project 2: ADA Ramp Replacement

- City has many deficient or non-compliant ADA ramps
- Replacements through this project would be separate from the work already budgeted in the current and next fiscal year

Est. Total Project Cost: \$458,775

Match: \$114,640 (from Gas Tax funds)

Funding Request: \$344,081

Lead Department: Transportation Systems

Project 3: Station #2 Fire Suppression

- Station 2 lacks a fire suppression, detection and alarm system
- Enhances life-safety for station occupants
- Increases likelihood of continued service in event of fire
- Minimizes \$ loss & downtime

Est. Total Project Cost: \$250,000*

Match: \$62,500 (from Mill Levy capital and GF fund)

Funding Request: \$187,500

*Early Estimate

Lead Department: Helena Fire Department

Individual Commissioner Priorities

Results:

| | 1st Priority | 2nd Priority | 3rd Priority |
|--------------|----------------|----------------|----------------|
| E. Dean | Public Works | Fire | Transportation |
| S. Logan | Public Works | Transportation | Fire |
| M. Reed | Transportation | Public Works | Fire |
| A. Shirtliff | Transportation | Fire | Public Works |
| W. Collins | Fire | Public Works | Transportation |

Results from discussion at 2/7 Admin. Meeting

Commission Top Priorities:

Bioreactor Mixer Replacement (Public Works)
 ADA Ramp Replacement (Transportation Systems)
 Fire

Scenario:

City submits two applications, Bioreactor Mixer Replacement and ADA project (scaled), to exhaust full allocation

| | Project Cost | Match Extra Capital | Grant Funds |
|--------|--------------|---------------------|-------------|
| Mixers | \$381,000 | \$115,000/ 30% | \$266,000 |
| ADA | \$307,775 | \$115,000/ 37% | \$192,775 |
| TOTAL: | \$688,775 | \$230,000 | \$458,775 |

Accompanying priority list: (1) Bioreactor Mixer (2) ADA Ramp (3) Fire

| | City of Helena, Montana |
|-------------------------|---|
| 02/15/2024 | |
| То: | Tim Burton, City Manager |
| From: | David Knoepke, Transportation Systems Director Amanda Opitz, Grants Administrator |
| Subject: | RAISE Grant Application Report |
| Present Situation: | The City is applying for a \$1.3 million federal Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant to complete the east side of South Helena interchange. The proposed "East Side Arterial Connector" will connect I-15 at that interchange to US 12 on the east side of Helena. |
| Background Information: | Efforts to advance construction of the East Side Arterial Connector have been ongoing for more than two decades. The concept was initially proposed in 2002 when the community participated in a planning effort to create a vision for future development of the area east of I-15 and south of US 12. With support of private landowners and developers, the concept of an east side arterial was born. The subsequent I-15 Corridor Final Environmental Impact Statement (FEIS)/Record of Decision (ROD) furthered this vision by approving a new "South Helena" interchange on I-15 to facilitate the future connection. Five years later, the interchange was partially constructed with a stub connection for the east side arterial. Continued efforts were conducted by the city, Montana Department of Transportation (MDT), and current landowner/developer to study the traffic and environmental implications of the project and a preliminary alignment was developed. However, during the economic downturn of 2008, a lack of funding brought the project to a halt. |
| | Recent development in the adjacent Mountain View Meadows subdivision, increased community interest and investment in reclamation of the former East Helena ASARCO smelter site, population increases, and development constraints in the northern Helena valley have sparked renewed interest in the completion of an east side arterial. |
| | The city recognizes the need to proactively plan for and manage growth by targeting investments in sustainable public infrastructure to overcome development constraints and protect Helena's valuable natural resources. |
| | The City of Helena and Lewis and Clark County have jointly determined in our growth policies that most feasible and sustainable location for growth is on the east side of Helena between I-15 and US 12 due to its easy access to municipal services, generally unconstrained land, and proximity to primary regional transportation routes. |
| | About the RAISE Grant Program: |
| | RAISE grants are awarded on a competitive basis for planning or constructing surface transportation infrastructure projects that will improve safety; environmental sustainability; quality of life; mobility and community connectivity; economic competitiveness and opportunity including tourism; state of good repair; partnership and collaboration; and innovation. |

| Proposal/Objective: | No action is required at this time. At the Monday, Feb. 26 meeting, staff intend to bring a draft letter of support from the Commission to the granting agency for consideration. | |
|--|--|--|
| Advantage: | Advantages to this project are numerous including: | |
| | Traffic congestion relief at the Capital interchange and along Hwy 12 Regional connectivity between Helena, East Helena and Montana City Improved safety for motorists and non-motorists Maximizing the public utility of the South Helena interchange Improved access for emergency services Job creation and economic opportunities through private commercial development Sustainable growth and opportunities for affordable housing | |
| Notable Energy Impact: | Completion of the East Side Arterial Connector will include dedicated non-motorized facilities connecting to existing facilities to provide a safe route for non-motorists and lead to a reduction in vehicle trips. | |
| <u>Disadvantage:</u> | N/A | |
| Notice of Public Hearing: | False | |
| Staff Recommendation/ Recommended Motion: | No action is required at this time. At the Monday, Feb. 26 meeting, staff intend to bring a draft letter of support from the Commission to the granting agency for consideration. | |

| То: | Mayor Collins and the Helena City Commission |
| From: | Sheila Danielson, Finance Director Rebecca Dockter, City Attorney |
| Subject: | Restricted Donation for Historic Preservation Projects |
| Present Situation: | The City was notified by Drake Law Firm, P.C. located on 111 N. Last Chance Gulch, Helena, MT that the City was designated as recipient of a restricted donation. After going through the probate process and final settlement in Montana First Judicial District Court of Lewis and Clark County, Mr. Greiner's Will designated from his estate a donation to the City of Helena with the provision to use the funds for historic preservation projects. The amount awarded to the City is \$80,113.24. These funds have been deposited into the City's bank and are accounted for in the General Capital Fund as a restricted donation. The City manager will confer with Department Heads as to coming to the Commission with recommendations on how to expend the funds according to the wishes of Mr. Greiner. The Commission may also present recommendations as to how best to honor Mr. Greiner's wishes. |
| Background Information: | William Lee Greiner, resident of Helena, MT, passed away on January 14, 2022. Mr. Greiner attended Jefferson and Central Elementary, Helena Middle, and graduated from Helena High School in 1962. Mr. Greiner was an Eagle Scout, served his country in the Army, and graduated from the University of Montana with an Anthropology degree. He spent several years working in New York working for the National Trust for Historic Preservation and worked in Missoula for several years before returning to Helena. He worked at Capital Sports and had his own art and antique shop, along with several rental properties. |

Provide funding for identified historic preservation projects.

ANGIE SPARKS, Clerk of District Court By D. Cospon Deputy Clerk

Attorneys for Personal Representative

MONTANA FIRST JUDICIAL DISTRICT COURT, LEWIS & CLARK COUNTY

| PETITION FOR APPROVAL OF FINAL ACC | COUNT, TO CONSTRUE A WILL, AND |
|------------------------------------|----------------------------------|
| Deceased. |)) |
| WILLIAM LEE GREINER, |) |
| IN THE MATTER OF THE ESTATE OF |) Probate No. <u>ADP 2022-24</u> |
| | |

PETITION FOR APPROVAL OF FINAL ACCOUNT, TO CONSTRUE A WILL, AND FOR COMPLETE SETTLEMENT AND DISTRIBUTION OF A TESTATE ESTATE BY PERSONAL REPRESENTATIVE

The Personal Representative/Petitioner respectfully shows:

1. William Lee Greiner died testate on January 14, 2022. Petitioner is the duly-

appointed, qualified, and acting Personal Representative of the decedent's estate.

2. On January 31, 2022, the decedent's Will was admitted to probate in informal

testacy proceedings, following notice as required by law.

3. Petitioner has given notice to creditors of the decedent as required by law. The

time for presenting claims that arose prior to the death of the decedent has expired.

- 4. Petitioner has filed an Inventory with the Court.
- 5. All debts of the decedent and of the estate, and all expenses of administration thus

far incurred, and all taxes that have attached to or accrued against the estate have been paid or

will be paid prior to distribution.

6. No federal or state estate tax return is required.

7. Petitioner has filed a final account with the Court, detailing all receipts and disbursements in the administration of the estate, and the estate is in a condition to be closed.

ć

8. Under Mont. Code Ann. § 72-3-1001, Petitioner requests on Order of complete settlement of the estate, including requesting the Court to construe the language of the Will admitted into probate, and approve the distribution to the heirs as outlined in this Petition. Mr. Greiner's Will provided specifically for the distribution of 75% of the remainder of his estate, but is silent as to the person or charity that he intended to receive the remaining 25% of the estate. Under Mont. Code Ann. § 72-2-111, "Any part of a decedent's estate not effectively disposed of by will passes by intestate succession to the decedent's heirs. . ." Mr. Greiner's Will did not effectively dispose of 25% of the remainder of his estate, and, as such, the 25% remainder should pass by intestate succession to his following cousins: Laura Brown, Gretchen Greiner, Estate of Charles Greiner, Ellis Greiner, John Greiner, and Sarah Cox.

9. On October 10, 2023, Petitioner filed a Notice of Proposed Distribution with the Court, which was sent to all potential heirs and devisees according to the Certificate of Service. The Notice included the draft Inventory and draft Final Account and stated "under Mont. Code Ann. § 72-3-903, failure to object on the basis of the kind or the value of the distribution to you, in writing received by the Personal Representative within thirty (30) days after mailing or delivery of this proposal, will result in termination of your right to object." Thirty days have now passed and the Personal Representative has not received any objections in writing, and right to object of all persons and charities sent the Notice has terminated.

10. In accordance with decedent's Will and applicable law, the property remaining after specific distributions, and the payments of debts, claims, costs, and expenses, and the finalization of the Final Account should be distributed as follows:

- 25% or \$80,113.24 to the City of Helena for historical preservation projects;
- 25% or \$80,113.24 to Unity School of Christianity;
- 25% or \$80,113.24 to Lewis and Clark County Humane Society;
- 25% (4.17% each) or \$13,352.21 each to Laura Brown, Gretchen Greiner, Estate of Charles Greiner, Ellis Greiner, John Greiner, and Sarah Cox.

WHEREFORE, Petitioner requests that:

1. The Court set a time and place for hearing the Petition for settlement and distribution and for construing the Will and determination of heirs;

2. The Court consider the final account, and settle and approve the accounting and distribution;

3. The Court construe the language of the Will admitted into probate, and approve the interpretation and distribution to the heirs outlined in this Petition;

4. The Court approve the settlement and distribution of the estate of the decedent remaining in the hands of the Petitioner and any other property of the decedent or the estate not now known or discovered, be made to the persons entitled thereto, as set forth above, in accordance with the decedent's Will, the facts, and applicable law.

5. Upon payment of the debts of the decedent, expenses of administration, and all taxes and upon distribution of said estate in accordance with said Order, the Personal Representative be discharged.

Dated this 1st day of December, 2023.

| 02/16/2024 | | | | | |
| То: | Tim Burton, City Manager | | | | |
| From: | Douglas Smith, Parks, Recreation and Open Lands Director Sheila Danielson, Finance Director | | | | |
| Subject: | Bill Roberts Golf Course Fee Discussion | | | | |
| Present Situation: | As a Helena City asset, the Bill Roberts Golf Course provides a place to recreate and socialize for all. During summer months, it provides a superbly manicured regulation length golf course that is challenging yet fun for all skill levels. They offer junior camps, ladies' clinics, professional lessons, tournaments, business outings, business parties, a driving range, a putting green, off-season simulator golf stations, great food and a fun atmosphere to everyone who walks into the establishment. | | | | |
| | The golf course also provides a place for walking, running and cross- country skiing in the winter. This facility is enjoyed by all residents, guests and golfers alike. | | | | |
| Background Information: | N/A | | | | |
| Proposal/Objective: | Consider the proposed revised fee schedule. | | | | |
| Advantage: | N/A | | | | |
| Notable Energy Impact: | N/A | | | | |
| Disadvantage: | N/A | | | | |
| Notice of Public Hearing: | False | | | | |
| Staff Recommendation/ Recommended Motion: | Informational purpose, staff intend to bring a Resolution of Intention to the Commission on February 26, 2024. | | | | |

| City of Helena, Montana | | | | | | |
|-------------------------|---|--|--|--|--|--|
| 02/16/2024 | | | | | | |
| То: | Tim Burton, City Manager | | | | | |
| From: | Douglas Smith, Parks, Recreation and Open Lands Director Craig Marr, Parks Superintendent Kait Perrodin, Recreation, Aquatics Program Manager Sheila Danielson, Finance Director | | | | | |
| Subject: | Last Chance Splash Waterpark & Pool Fee Discussion | | | | | |
| Present Situation: | The City operates a facility known as the Last Chance Splash Waterpark and Pool. This facility boasts a 50-meter outdoor pool open for lap swimming all day. Pool amenities include swimming lessons, a diving well, splash pad, two waterslides, a zero-depth pool and a lazy river. There are multiple exercise classes offered in addition to hosting user groups that include swim team workouts, water polo league and summer camp programs. | | | | | |
| | The city must charge fees for the use of the Swimming Pool to support the cost of operating said facility. The Swimming Pool is also subsidized by general taxpayer dollars in order for the entire community to enjoy the facility. | | | | | |
| | Pursuant to City Code Section 1-10-10: Fee and Charge Amounts: The Specific amount of any fees and charges imposed by city ordinance will be established and adjusted by the commission in the manner provided in Title 7, Chapter 5, Part 1 of the Montana Code Annotated. (Ord. 3177, 6-10-2013, eff. 7-15-2013). | | | | | |
| | Pursuant to MCA 7-5-123 "Effective Date of Resolutions" – states "All resolutions shall be immediately effective unless a delayed effective date is specified. | | | | | |
| | Pursuant to Resolution No. 20003 "A Resolution establishing various municipal fees and charges previous set by Ordinance", passed June 10, 2003, the City re- established how specific amounts of fees and charges previously imposed by City Ordinance through a Resolution of the Commission in accordance with MCA 7-5-1. | | | | | |
| | The Commission passed Resolution No. 20820 on May 8, 2023, which superseded Resolution No. 20332 establishing fees for Last Chance Splash Waterpark and Pool. | | | | | |
| | To continue to support the ongoing operations of the facility, it is necessary to re- evaluate the fee schedule and present a proposed revised fee schedule to the Commission for consideration. | | | | | |
| | Staff believe the proposed rates are a modest increase and in line with other Montana Municipal outdoor pools with waterparks. Proposed rate increases will generate approximately \$53,615.07 if pool attendance remains consistent. | | | | | |
| | Attached is the proposed fee schedule. | | | | | |
| Background Information: | N/A | | | | | |

| Proposal/Objective: | Consider the proposed revised fee schedule for the Last Chance Splash Waterpark and Pool. |
|--|--|
| <u>Advantage:</u> | Defray the cost of operating and maintaining the operations of the Last Chance Splash Waterpark and Pool. |
| Notable Energy Impact: | N/A |
| <u>Disadvantage:</u> | Some user groups may feel the increased costs will negatively impact their ability to use the pool. |
| Notice of Public Hearing: | False |
| Staff Recommendation/ Recommended Motion: | Informational purpose, staff intend to bring a Resolution of Intention to the Commission on February 26, 2024. |

Exhibit A: Last Chance Splash Water Park and Pool - Proposed Fee Schedule for 2024 Season
