From: David Knoepke - Director Transportation Systems
Chris Couey - Deputy Director Transportation Systems

Subject: Transportation Systems - Sidewalk Summit - Discussion of Inventory, Funding, City Code and Enforcement

Present Situation: The City Commission through these sidewalk summits has been working through the many challenges associated with sidewalk maintenance and installation. Sidewalks are a key component for Safe Routes to School and making our community accessible.

Background Information: Sidewalks in Helena have been a topic of discussion for many years. The ongoing maintenance and repair of existing sidewalks and ADA ramps. Numerous gaps/lack of sidewalks and ADA ramps is a difficult problem to solve, requiring input from staff, residents, property owners, business owners and the Commission.

Proposal/Objective: This session is intended to inform the City Commission of the results of the inventory recently conducted. This inventory captured existing facilities along with areas of no sidewalks. The discussion of the inventory will lead into a discussion of potential funding options, possible City Code revisions. Input from the public is welcome and encouraged.

Advantage: A better-connected community. Sidewalks can encourage walking and physical activity.

Notable Energy Impact: N/A

Disadvantage: Funding is a challenge.

Notice of Public Hearing: False
